LAS VEGAS, NV (August 1, 2008) – **Heather Chadwell** – model, TV personality, and a former stripper herself, has joined the All-Star lineup for **Perry Mann's Exotic Erotic Strippers and Hustlers Ball**, August 30 and 31 at the Orleans Arena in Las Vegas. Heather will host the stripper competition, featuring top performers from **Déjà vu, Hustler, Olympic Gardens, Palomino, and Club Paradise**. They'll compete for over \$20,000 in cash and prizes. **Bobbi Billard, Akira Lane, and Penthouse POY Erica Ellyson** will judge.

"We are happy to have Heather aboard," says Ball producer **Howard Mauskopf**. "She is smart, sexy, funny, and knows the stripper business from all sides. Heather will be the color commentator for the competition, and I don't think there was a better choice on all of planet Earth."

"I love hosting cool events like this," adds Chadwell, star of **VH1's Rock of Love 1 and 2** and current hit **I Love Money**. "Besides, Vegas is my home, strippers are my sisters, and these guys produce hot shows. Labor Day weekend - my favorite place - what could be better?"

Richard Vission will headline the first night, which also features **Scooter and Lavelle, Drummer KC, Gen-XX**, and the multi-sensory laser-filled wizardry of **Mobius8**. **Gilby Clarke** will join the **Genitorturers** – the world's sexiest band – as headliners for the second night, which also features LA-based rockers **Damato**, and **Girls Girls Girls** – an all-female **Motley Crue** tribute band.

"This sounded like such a great gig the moment I heard about it. No way I was turning this down," says **Gilby Clarke**, an original member of **Guns N' Roses**, and star of CBS' **Rockstar:Supernova**.

Bobbi Billard, the multitalented myspace vixen who is ranked as the #1 most downloaded babe on the internet, will be on hand along with Asian supermodel **Akira Lane** to host some on-stage antics – they are both stars of the horror classic remake **Ice Scream – The Remix**. The **Porcelain Twinz**, two gorgeous pale-skinned identical twin sisters who certainly seem to be very close will be performing both nights. Miss Nude Entertainer of the Year 2006-2007 **Schevelle** will also be performing both nights, and **Penthouse Pet of the Year Erica Ellyson** will be on hand to meet and greet her fans. And for those more inclined to skew kinky, the fabulously sexy **Snake-Babe** will be strolling the show wearing her slithery sidekick. Altogether - that's a lot of serious booty.

Billed as "a full weekend of eye-popping entertainment," Perry Mann and company have created two evenings of the coolest music and hottest, sexiest performances, combined with a fun stripper

competition and loads of hilarious hijinks. The Strippers and Hustlers Ball is designed to top anything else Las Vegas has to offer this Labor Day Weekend!

Want more? Rising hip-hop artist **Chuck Nutt** will perform the event's theme song *My Stripper Lover* written by Perry Mann. **Arielle Paige** - a young and sexy songstress whose first release is called *Dirty on the Dance Floor* will make her Las Vegas debut. All the main-stage activities will be hosted by the sinister and stylish **Paul Nathan**, who promises a few special surprises.

“I’m excited to debut **Gen-XX**, my new electrocore project featuring some very special guest performers the first night, and then follow it up the next night with a seductive and extra-sinful **Genitorturers** performance – so if you’re planning to be there, get ready to get blown away,” says **Gen** of the **Genitorturers**, who have often been called "one of the worlds sexiest bands."

Not enough? The Strippers and Hustlers Ball will celebrate stripping as an art form and will feature a national competition with over \$20,000 in cash and prizes to crown America’s #1 stripper. The categories are Best Body, Best Dancer, and Best Pole Dancer. The semifinals will occur on stage at the Ball on August 30, and the finals on August 31. And at some point over the weekend the girls will all gather together to see if they can set a record for the world’s largest ever girl-on-girl pillow fight, sanctioned by Official Sex Records Ltd.

“I’m doing this a long time, but between music, burlesque, celebrities, and strippers – this might be the greatest talent lineup we’ve ever assembled,” says **Perry Mann**, who founded the **Exotic Erotic Ball**, generally acknowledged as the #1 Wildest and Sexiest Party in America as well as its largest and longest-running mature-themed event. “Then again, we wanted to go over the top because - it’s Vegas, baby!”
