LAS VEGAS, NV (July 12, 2008) – What do you get when you combine America's hottest DJ's spinning incredible House music on opening night, smoking-hot live rock and metal performances on the second night, a massive nationwide stripper competition where strippers from Hustler, Déjà vu, and other top chains compete for over \$20,000 in cash and prizes both nights, plus a few of America's hottest burlesque artists, the world's sexiest emcee, the planet's most downloaded supermodel, and the world's largest ever girl-on-girl pillow fight? You get Perry Mann's Exotic Erotic Strippers & Hustlers Ball, which takes over The Orleans Hotel in Las Vegas over Labor Day Weekend (August 30 and 31, 2008). The Ball has just announced its talent lineup, and it's quite the lineup indeed.

“Between the musical acts, burlesque performers, celebrity guests, and - of course - the strippers – this might just be the greatest talent lineup we've ever assembled,” says Perry Mann, who also founded the Exotic Erotic Ball in San Francisco which has been going strong for 29 years and been called The World's #1 Wildest and Sexiest Party by E! Entertainment TV. “We needed to go over the top for this event because - as they say – it's Vegas, baby!”

“This sounded like such a great gig the moment I heard about it. No way I was turning this down,” says Gilby Clarke, an original member of Guns N' Roses, and star of CBS' Rockstar:Supernova.

Richard Vission will headline the first night, which also features Scooter and Lavelle, Drummer KC, Gen-XX, and the multi-sensory laser-filled wizardry of Mobius8. Gilby Clarke of Guns n' Roses fame will join the Genitorturers – the world's sexiest band – as headliners for the second night, which also features LA-based rockers D'Amato, and Girls Girls Girls – an all-female Motley Crue tribute band.

Bobbi Billard, the multitalented myspace vixen who is ranked as the #1 most downloaded model on the internet, will be on hand along with Asian supermodel Akira Lane to host some on-stage antics – they are both stars of the horror classic remake Ice Cream – The Remix. The Porcelain Twinz, two gorgeous pale-skinned identical twin sisters who certainly seem to be – ahem - very close will be performing both nights. Miss Nude Entertainer of the Year 2006-2007 Schevelle will also be performing both nights, and The Vivid Girls will be on hand to meet and great their fans.

Billed as “a full weekend of eye-popping entertainment,” Perry Mann and company have created two evenings of the coolest music and sexiest performances, combined with fun competition and hilarious hijinks. The Strippers and Hustlers Ball is designed to top anything else Las Vegas has to offer this Labor Day Weekend!

Rising hip-hop artist Chuck Nutt will perform the event's theme song My Stripper Lover written by Perry Mann. Arielle Paige - a young and sexy songstress whose first release is called Dirty on the Dance Floor will make her Las Vegas debut. All the main-stage activities will be hosted by the sinister and stylish Paul Nathan, who promises a few special surprises.

“I'm excited to showcase Gen-XX, my version of house on the opening night, and then follow it up the next night with an extra special Genitorturers performance – and I do mean performance, so get ready to get blown away,” says Gen of the Genitorturers, who have often been termed “the sexiest band alive”.

Not enough? Want more? The Strippers and Hustlers Ball will celebrate stripping as an art form and will feature a national

competition with over \$20,000 in cash and prizes to crown America's #1 stripper. The categories are Best Body, Best Dancer, and Best Pole Dancer. The semifinals will occur on stage at the Ball on August 30, and the finals on August 31. And at some point over the weekend the girls will all gather together to see if they can set a record for the world's largest ever girl-on-girl pillow fight, sanctioned by Official Sex Records.

The two-day show is Saturday, August 30, 2008 from 9PM til 4AM; and Sunday August 31 from 9PM til 4AM, all at The Orleans Arena in Las Vegas. The website is www.strippersandhustlersball.com.
